

The little church with a BIG heart

THE RADIANT

Geneva Presbyterian Church
 11931 Seven Locks Road, Potomac, MD
 20854
 (301) 424-4346 Office
www.genevapotomac.org
 Rev. Patrick McElwaine, Pastor

Dear friends,

In this season of celebrating Easter and the new life we have in Christ, this feels like a great time to extend an invitation to those of us who live in the geographic region of the church: if we haven't seen you in person recently, now would be a great time to reconnect and join your Geneva family in person! It's been a big few years, which included changes to our usual patterns and rhythms of life. There would be no better time for you to accept this invitation and commit to joining us in person for worship, fellowship, and life together.

I know "in person" isn't a possibility for everyone. We acknowledge that reality and celebrate our blended worshiping community. However, if in person is an option for you, I hope you'll feel confident and inspired to make that move soon – we'd love to see you, your family, and the friends you invite to join you!

As I said during the recent evening when Geneva hosted our Churches of Seven Locks Ecumenical Lent Series dinner, "fellowship" is more than eating food and having a good time. It is those things; but when we look to Jesus, how he lived his life, how he ministered to his disciples, how he made space for their gifts and called them to service – this is the true heart and meaning of fellowship, of togetherness, and of gathering as the Body of Christ. Every time the Church gathers for worship, study, service

or to sit at table for a meal, God is present and at work transforming lives.

Speaking of which, this Easter season will include excellent worship services, an Easter Egg hunt before service on Easter Sunday, and many opportunities to gather: crafts for kids and adults, social hours, a "3rd Sunday birthday celebration" for our April birthdays, and much more. Again, these are opportunities for us to gather in enjoyment of each other and our God – and they are also opportunities for us to strengthen and deepen relationships which may have been impacted by the pandemic. I hope we'll see you there.

Finally, a heads up: we're already in the planning process for a series of exciting and engaging programs this summer, with offerings for all ages. You'll have to pay attention to your church communication channels to learn more soon!

With joy in Christ,

Patrick McElwaine

Here are a few books I've read recently that you may appreciate reading, too:

“Jesus on Every Page: 10 Simple Ways to Seek and Find Christ in the Old Testament”

by David Murray

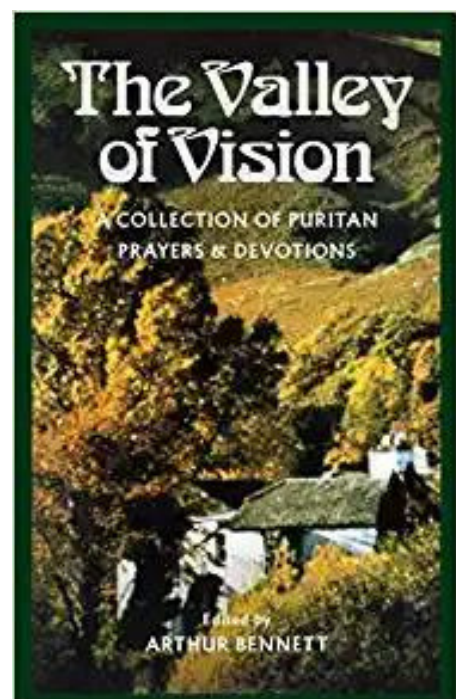

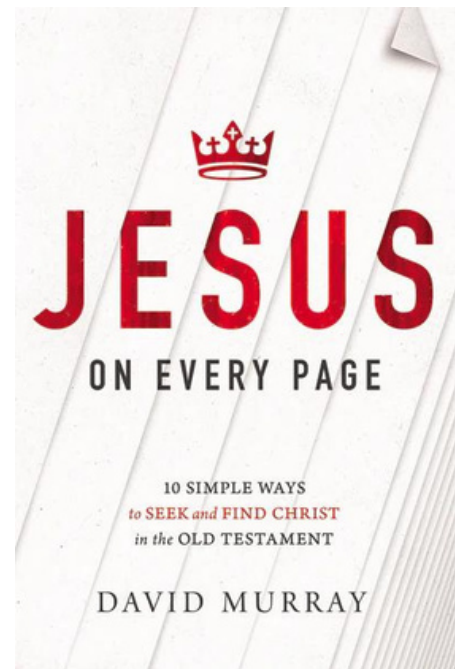

Sometimes folks can have difficulty connecting with the Old Testament the same way they do with the New Testament; if this is you, don't worry, you're not the first or last to feel this way.

But, what if I told you that we could find Jesus “on every page” of the Bible, both New and Old Testament? Toward the end of the Road to Emmaus story, Jesus tells us as much. In Luke 24:7, Jesus turns to the two disciples and “Then beginning with Moses and all the prophets, he interpreted to them the things about himself in all the scriptures.” Jesus tells them that the Law, the Prophets, indeed the entire Old Testament points to Him!, Jesus tells us as much. In Luke 24:7, Jesus turns to the two disciples and “Then beginning with Moses and all the prophets, he interpreted to them the things about himself in all the scriptures.” Jesus tells them that the Law, the Prophets, indeed the entire Old Testament points to Him!

This book can help make connections and open your eyes of faith to see Jesus on every page of scripture like never before.

“The Valley of Vision: A Collection of Puritan Prayers & Devotions” Edited by Arthur Bennett

I have recommended this book of prayers in a previous issue of The Radiant. I commend it to you again because, as I continue incorporating these prayers into worship and study life with Geneva, people keep asking what it is and where they can get it! So I'll share The Valley of Vision one last time (probably, LOL), with prayers that it will enrich your personal spiritual practices with meaty, substantive, and theologically rich devotional resources.

We had some lovely faith formation and community building experiences this winter! First we had the winter retreat, where 30 Presbyterian youth from the DMV gathered at Massanetta Springs to learn how they could make a positive “Ripple Effect” in the world. Then Food for the Soul returned in time for Lent, kicking off with a Chipotle catered dinner on Ash Wednesday and ending with a potluck on Maundy Thursday. We brought back a monthly social hour we call “First Sunday Food and Friends”, brought to you by the new Next Gen Team consisting of: Julie Moloznik, Kyla Lupo, Allyson McElwaine, Carl Perthel, and Mark Allen. And through it all, we’ve been having a blast at Sunday School!

As I’m writing this, we have Holy Week and Easter to look forward to. That means a devotional for both families with young kids and adults, Palm Sunday crafts, Maundy Thursday Potluck, and an Easter Egg Hunt! Following all of that, on Sunday, May 7th, we’ll be having an interactive worship service (similar to Christmas Eve), focusing on Communion. We’ll also be starting a new ministry called “Caregiver Coffee Hour” for caregivers of children, both neurodiverse and neurotypical, on the 4th Sunday of the month at 9:45 a.m. And don’t forget, our Child Protection Policy and Social Media/Tech Policy are due back to me by Easter Sunday!

Please enjoy the pictures, and if you want to volunteer for or get involved with anything I’ve mentioned, please email me.

Peace,

Cali Bronkema
Director of Next Generation Ministries

Winter Retreat

Food for the Soul and First Sunday Pictures

My Geneva family,

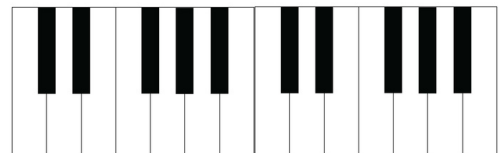

Over the coming months, there are some wonderful music events that are happening at Geneva!

For this year's Holy Week, we will have handbells playing on Palm Sunday, cello music joining the choir for our Maundy Thursday service, and brass accompaniment for Easter with our choir! Be sure to also tune into our Good Friday service online at noon, when we will showcase our choir singing the incredibly beautiful "My Love has Died for Me" from Will Todd's *Passion Music* and the gorgeous Joel Raney arrangement of "O Sacred Head Now Wounded" with accompanying cello! In May, our handbell choir will be joined by members from Springfield Presbyterian Church for a secular music concert! Some of our musical selections include; "Stairway to Heaven", "Eleanor Rigby", "The Pink Panther", and "The Rainbow Connection"! Geneva will host the concert on Saturday, May 20th, at 3:00 p.m. and we will travel to Springfield Presbyterian Church in Sykesville, MD, on Sunday, May 21st, for a repeat of our concert, also held at 3:00 p.m.

I hope you'll be in attendance over the next couple of months to enjoy some wonderful music and worship!

Ben Shaver

Geneva Day School has been quite busy during the last few weeks of school while celebrating many important traditions, such as Groundhog Day, Valentine's Day, Dental Health Month, Dr. Seuss Week, and St. Patrick's Day. We've also had visitors join our school for some special performances for our kids. Recently we had a puppet show performed by Yanniv Frank, a puppeteer based out of New York, and felt board stories by Tammy Sussman.

In April, Geneva Day School will be closed for Spring Break from April 3 to April 10th. We can't wait to see you at this year's Live Auction Event brought to you by the Geneva Parents Association! Purchase your Live Auction tickets and join us at The Retreat on Saturday, April 15th, to show your support for Geneva Day School. Live Auction items will be available for preview and pre-event bidding online prior to the event. Ticket includes everything listed below:

Event Details:

- Date/Time: Saturday, April 15, 2023, from 6:00 p.m. to 9:00 p.m., live auction starts at 7:00 p.m.
- Venue: The Retreat featuring: an open bar
- Casino Games: Roulette, Black, Jack, and Craps
- Seating: Food stations with open seating
- Attire: Come how you want!

On May 4-5, Geneva Day School will be closed for Parent/Teacher Conferences. Teachers will have the opportunity to share all the growth and learning that their children have mastered thus far this school year and share some summer goals. We will also be hosting our Spring Scholastic Book Fair from 9:00 a.m. to 3:00 p.m. Please join us to support our school fundraiser efforts while you shop for some fun summer reading!

Teacher Appreciation Week will take place from May 8th, through May 12th. The Geneva Parents Association is planning a fun week to show our wonderful teachers and staff how much they appreciate us with food, cards, flowers, and much more.

Our last day of preschool is Thursday, May 25th. We hope you will join us as we wish everyone a wonderful summer break! Our Kindergarten Graduation will be on Friday, May 26th, at 10:30 a.m. It will be a time to share memories, laughter, and togetherness before we send them off to the next chapter in our students' lives. Afterwards, we will be celebrating our last day of school with families with our End-Of-Year Picnic on May 26th, from 11:30 to 2:00 p.m. We hope you can join the fun!

Our school has a very busy schedule ahead as we look forward to celebrating these fun events with our families, our students, our staff, and our church community.

Wishing you all a blessed and a joyous spring!

Daisy Lizama

Daisy Lizama
Director

Greetings from your Executive Committee

Different Geneva committees and members have talked about replacing our sign on Seven Locks Road for many years. On Sunday, March 5th, Ken Sprinkle made a presentation to the congregation about his research for the new sign, which is a project that he has been working on for quite some time. This information had previously been presented to the Executive Committee and Session.

In its advisory capacity, the Executive Committee reviewed the proposal for the new sign, and approved two motions for Session during the February meeting. Here are the summaries of the motions:

- A motion to recommend the hiring of Affordable Signs to install the sign
- A motion to recommend to Session that a Capital Campaign be launched by the church, to help fund a portion of the cost of the sign.

Many thanks to Ken Sprinkle for his diligence and thoroughness in researching this sign and the sign vendors.

Several people met in the sanctuary on March 6th, to look over the sanctuary and make a list of items that need to be worked on. One of the items on the list is the sanctuary walls, which we have a quote to get painted. At the March Session Meeting, the Session voted to approve the painting of the Sanctuary walls based on the quote we received on January 10th. The lighting is the other main issue that needs to be addressed. Elaine will follow up with Alberto and Lilly to refine the quote they gave us and discuss what makes the most sense for Geneva to work on first.

The patio at the manse is old and falling apart and needs to be replaced. We have received one quote on this project, and have a call in to a second company to get an additional quote.

I am thankful to have such a great team to work with on the Executive Committee. "Thank you!"

Elaine Winch
Chair, Executive Committee

What's Happening in Worship & Music at Geneva?

Lenten Ecumenical Series

Geneva has continued our tradition, established over many years, of taking part in and hosting a week of the Seven Locks Lenten Ecumenical Series. I must say we were treated to a wonderfully uplifting message and robust participation this time around. When it was our turn, Pastor Patrick led the series focusing on Fellowship and Christian Life Together. Fellowship was certainly on full display. Our Deacons and volunteer support did such a fantastic job with hosting the dinner for our guests while we studied three Bible passages focusing on fellowship. The manner in which Pastor Patrick delivered this message was eye-opening and powerful in the Word and meaning for everyday life. It was fun to see how ancient tradition has continued on in Jesus' name, not just in breaking of the bread, but also in togetherness in support of one another. Real community is at work and that is very much the case when the churches of Seven Locks come together.

Easter

As we enter Holy Week, I wanted to start by expressing our sincere thanks to our Geneva family for their fantastic involvement and for their representation of Geneva among our Seven Locks area churches during the Ecumenical Lenten Series Bible studies.

I also want to highlight our Easter Week Services which will include special music presentations:

Sunday, April 2nd – 10:30 a.m. Palm Sunday Service

Thursday, April 6th - 7:00 p.m. Worship – Maundy Thursday Service

Friday, April 7th - Noon Worship – Good Friday **VIRTUAL** Church

Sunday, April 9th - 10:30 a.m. Worship – Easter Sunday Service

Musically, we have been enjoying Ben's playing on the new sanctuary piano. In celebration of Holy Week, we plan to have the addition of Geneva's bell choir, along with brass and cello instruments accompanying the choir. Please do not miss it!

Pastor Patrick will be taking a well deserved week off following Easter, so on Sunday, April 16th, our Clerk of Session, Sheri Sankey, will be delivering a lay sermon and I for one cannot wait to hear it.

Tom Sadler
Chair of Worship & Music

Spring is almost here. Spring and Fall are my favorite times of the year. They are transitional times and herald the coming of great things. Geneva's Session met online (via Zoom) on February 27, 2023, at 7 p.m., and great things are on the horizon for Geneva.

Pastor Patrick McElwaine updated the Session on activities of the church in regard to worship. Of note is the Visioning Process which will start with a retreat on April 22, 2023. Pastor Patrick will be away on study and vacation from March 13-19, and April 11-17.

Cali Bronkema reported on the progress of the Next Generation Committee. They are working on crafting a mission statement. Youth events are happening with our youth as well as the youth from local area churches. Events are planned tentatively in May and August. Fellowship events are well attended and everyone is having a great time.

Elaine Winch presented the Executive Committee report. There are several capital improvements and maintenance issues that need addressing. In March there are several meetings scheduled with contractors to assess these needs and to make a plan to move forward.

The Session voted to specifically advance one large and exciting project that the congregation can look forward to hearing more about in the coming weeks.

Rolf Winch provided a Treasurer's Report which was approved as presented. We are ahead of budget for this fiscal year. Cali Bronkema presented the new Child Protection Policy and the Social Media/Technology Policy. Both policies were approved as presented.

Various standing Committees presented their reports and activity. These include Building Use, Christian Education, Communication and Outreach, Deacons, Mission, and Nominating. Things continue forward in all committees; please see the individual articles each Committee has printed in the Radiant for further details.

From the pen of Kyla Lupo, a Haiku which summarizes the February Session Meeting.

big things are coming
we can be a lighthouse for
all who seek God's love.

Sheri Sankey
Clerk of Session

Deacons and Fellowship Activities

Welcome to our newest Deacons, Janelle Thibau and Sara Sadler! Janelle and Sara join Sheena Galliani, Kyla Lupo, Allyson McElwaine, Rosie Perthel, Ludivine Kom Liapoe and Renee Moloznik to support our Geneva members and friends. Deacons are the "servants" or "caregivers" of the congregation. People have all kinds of needs - they are recovering from surgery, grieving, lonely, ill, or otherwise in a time where they welcome the ministry of care from our congregation. In a very real way, Deacons are the hands and heart of the Church in our ministry of caring.

Deacons Fund

Deacon Funds are used to support an individual or families in financial crisis in terms of monetary donations, purchasing food, helping to pay medical or household bills. The funds are also used for the items in the blessing bags for our homeless neighbors, for gift cards to students during final exams, for hosting memorial services, for hosting Lenten dinners, for sending cards and gift baskets to members needing support, and for providing the supplies needed for our seasonal craft activities.

Our Deacon Fund is used frequently to support our members and is getting low. Therefore, I am asking for your generosity to make a tax-deductible donation to the Geneva Deacons Fund, so our Deacons can continue to support our Geneva family. Your gift in any amount will be greatly appreciated to help our church make a brighter future for our members.

Thank you in advance for your help and support.

Deacon Family Groups

Every Geneva member and friend is included in a Deacon Family Group. Your Family Deacon works with Pastor Patrick to celebrate your joys and support you in times of concern or need.

The Family Deacon Groups are listed below. If you do not see your name and want to be a part of a Deacon Family group, please contact Renee Moloznik at Rmoloz@hotmail.com Deacon:

Spring is just around the corner and the Geneva Disability Ministry Team is excited for what the warmer months will bring. It is our joy to deepen friendships with those we already know and also to connect with new families. Geneva works hard to be an inclusive congregation for our community and is always open to suggestions as to how we can evolve and grow.

Our cold weather neurodiverse play dates at We Rock The Spectrum have been perfect for the blustery winter Saturdays. That said - we look forward to bringing neurodiverse play dates back to the Geneva playground. Our playground is accessible, provides a safe and fenced area to play, and will be the home to many smiling GPC youth.

The kiddos have had lots of opportunities to grow in their friendships. Everyone looks forward to time each week learning with Ms. Cali during Bridges to Worship on Sunday mornings. It is also a point of pride for our church family that we offer an accessible, safe and inclusive play space for kiddos of all ability levels.

In addition, we are now also able to provide childcare for those nights when Geneva church members host Food For The Soul gatherings. Those Food For the Soul nights are restorative and life-giving for the adults and are thoroughly enjoyed by the kids, who get to spend time together laughing, playing, and having fun.

Now that the warmer months are coming and our play dates will once again return to the Geneva playground, we hope to see even more smiling faces. If you know anyone who may want to attend a future play date, please extend the invitation and put them in touch with Allyson through email at asmcelwaine@gmail.com.

Our childcare space at church is available on Sunday mornings. The dress up area, baby dolls, and all of the wonderful toys are just waiting to be enjoyed. We have lots of happy faces who have been joining us recently - what a wonderful blessing. If you see new faces around and about in church, be sure to welcome them and their families! If you know any children that would like to join in the fun, please invite them on Sunday mornings!

The members of the Disability Ministry Team are always thinking of new ideas and ways to expand our impact! If you have thoughts and ideas on projects (big and small) that we can undertake in order to make Geneva Presbyterian the most welcoming and accessible place possible - please contact us. We would love to know your ideas and visions for the future. We welcome you to reach out to Jane Campbell or Allyson McElwaine at any time!

Allyson McElwaine,
Co-Chair of the Disability Ministry Team

Another Mission Encounter

Your Mission chair passed a guy on her way into Aldi. His hair was matted, and he had a cardboard sign about 10" square saying, "Please help."

I entered the store and went through the rigamarole of getting a \$15 gift card. Maybe I'd have further impact if I told the cashier my church is buying gift cards for people who need them -- I'll have to think about that.

I took the card back outside and said, "Hi sir, this is a card for \$15 inside." I handed him the card and the receipt. His face lit up in a gapped tooth smile.

"God bless you!" he exclaimed.

"God bless **YOU**" I replied, and dashed back into the store.

When we came back out with our purchases maybe 20 minutes later, the man was still where he'd been, and I've speculated about why. Is it uncomfortable for him to shop while I'm still in the store? Does he not want to miss any rush hour panhandling time?

I hope our gift blessed him as much as it did me.

Jane Campbell

Jane Campbell
Co-Chair of the Disability Ministry Team

Greetings from your treasurer,

As I write this, we are half way through our fiscal year (which runs from September 1, 2022, through August 31, 2023). Our financial picture is healthy – thanks in part to a generous gift from Geneva Day School. As of February 28, our budget reflects a positive balance, even though our projected budget was expected to reflect a negative balance of $-\$141,815.24$

What does that mean? Well, remember that at our last Congregational meeting we approved a deficit budget. That means at the end of the fiscal year, total income minus total expenses would reflect a negative balance – in 2023 that was projected to be $-\$283,630.52$. However, half way through the year, total income less total expenses shows a positive balance of $\$1,406.91$ instead of a projected negative balance of $-\$141,815.24$.

These positive budget numbers are good news for our congregation and hopefully they will continue throughout the spring and summer months. Every month the Executive Committee and Session carefully go through all 3 financial statements – the Statement of Financial Position, the Statement of Dedicated Accounts, and the Statement of Activities – and look especially at any accounts which are over budget.

I am always happy to answer any questions that you have about our finances, to explain how our financial system and accounting system works, and to share any numbers or financial statements with you – please just ask me for this information!

Rolf Winch

Rolf Winch
Treasurer

Geneva has made great headway on the acquisition of a new entrance LED sign. An LED sign is a modern means of communicating our messages using Light Emitting Diodes (LEDs). Local LED signs include Ivymount School, Potomac Community Center on Falls Road, Westfield Mall entrance and most public schools.

A new sign will be welcoming, and informational. LED signs are fully programmable by Geneva's Staff to change the messaging as often as they choose. That way, the sign can promote the Day School as well as the church and our missions. Seven Locks Road gives us traffic exposure of about 10,000 cars a day. Even if just 1% responded to our promotional messaging, we'd have over 100 new visitors or Day School parents. People who've never heard of Geneva or knew that we were here will now learn about us.

We have such a remarkable day school and an extraordinary church but many who pass by on Seven Locks Road just don't realize this. We have incredible music and youth programs and more. Now we can reach this audience in order to grow the church, promote the Day School and establish our identity.

Both the Day School Board and the Geneva's Session have approved the acquisition of the new sign. Here's a mock-up of what the sign may look like. Some of the details are still being worked out, and the Montgomery County Zoning Commission must weigh in on the sign permit. But this gives everyone a visualization of the concept. Think of what this will do for our identity, both as a church and as a day school.

The quotes we've received require a budget of \$75,000 for the sign and electrical service. The Day School has issued a challenge to the church to raise additional funds in support of the new sign before we move forward. Won't you make a contribution to this worthy cause? Simply mark your donation to Geneva as a: Special Gift - Sign.

Ken Sprinkle
Elder for Communication and Outreach
